

# The Rise

## Robbs The One

Welcome to my world  
To my circus of make believe  
I'll be your messiah  
You'll worship at my feet  
You're into your world  
Oh, your imaginary king  
Will you bend down before me  
And will you remember me?  
Take me, change me, love me  
A crown of thorns on my heart  
Change me, save me, will you love me  
Forever nailed to your cross?  
Dying for you  
Will I lie to thousands?  
Our God is you  
Am I deceit?  
Falling for you  
I am the God man  
Our God is you  
You're all at my feet
