

# Someone Could Lose A Heart Tonight

Eddie Rabbitt

There's a full moon out tonight  
And love is movin' in the shadows  
I got no place to run  
And it's following me wverywhere that I go  
There's something in the air  
I can feel it everywhere  
All the conditions are right  
Someone could lose a heart tonight  
Someone could lose a heart With all this kissin' and huggin'  
And heavy breathin'  
Fallin' under the spell of the  
Love you're weavin'  
It's gonna get crazy baby if you don't stop  
Someone could lose a heart tonight  
Someone could lose a heart Lookin' in your eyes tonight  
Don't you know you got me hypnotized  
Didn't mean to fall in love  
But who could leave this paradise  
I can feel it when we touch  
Oh, it's too much  
All the conditions are right  
Someone could lose a heart tonight  
Someone could lose a heart With all this kissin' and huggin'  
And heavy breathin'  
Fallin' under the spell of the  
Love you're weavin'  
It's gonna get crazy baby if you don't stop  
Someone could lose a heart tonight  
Someone could lose a heart
