

# Since I Fell for You

[Nina Simone](#)

You made me leave my happy home  
You took my love and now youre gone  
Since I fell for you Love brings such misery and pain  
I guess Ill never be the same  
Since I fell for you Its too bad, its so sad, Im in love with you  
You love me, then you snub me  
But what can I do, Im still in love with you I guess Ill never see the light  
I get the blues bout every night  
Since I fell for you, since I fell for you
