

# How He Loves

Kim Walker

He is jealous for me  
Love's like a hurricane, and I am a tree  
Bending beneath the weight of His wind and mercy  
When all of a sudden  
I am unaware of these afflictions eclipsed by glory  
And I realize just how beautiful you are and how great your affections are for me And oh  
How He loves us oh  
Oh how He loves us  
how He loves us oh He is jealous for me  
Love's like a hurricane, and I am a tree  
Bending beneath the weight of His wind and mercy  
When all of a sudden  
I am unaware of these afflictions eclipsed by glory  
And I realize just how beautiful you are and how great your affections are for me And oh  
How He loves us oh  
Oh how He loves us  
how He loves us oh Yeah He loves us  
Oh how He loves us  
Oh how He loves us  
Oh how He loves Yeah He loves us  
Oh how He loves us  
Oh how He loves us  
Oh how He loves We are His portion and He is our prize  
Drawn to redemption by the grace in his eyes  
If grace is an ocean, we're all sinking (ha ha)  
So heaven meets earth like a unforeseen kiss  
And my heart turns violently inside of my chest  
I don't have time to maintain these regrets  
when I think about the way He loves us  
Oh how He loves us  
Oh how He loves us  
Oh how He loves  
Yeah He loves us  
Oh how He loves us  
Oh how He loves us  
Oh how He loves yeah yeah hey yeah yeah yeah yeah yeah yeah Yeah He loves us  
Oh how He loves us  
Oh how He loves us  
Oh how He loves yeah yeah

Yeah He loves us  
He loves us  
He loves us (ha)Yeah  
His presence. His love  
Is so thick and tangible in this room tonight  
And there are some of you here that have not encountered the love of God  
And tonight God wants to encounter you  
And wants you to feel His love  
His amazing love  
Without it these are just songs  
These are just words  
These are just instruments  
Without the love of God, it's just like we're just up here just making noise  
But the love of God changes us  
And we're never the same  
We're never the same  
After we encounter the love of God  
We're never the same after we encounter the love of God  
And right now if you haven't encountered the love of God  
And you would know  
Because you wouldn't be the same  
You would never be the same again  
And if you, if you, want to encounter the love of God right now  
You better just brace yourself because He's about to just blow in this place  
And we're gonna encounter the love of God right now  
So God I speak to all the hearts  
And I ask God that every heart be open right now  
Every heart be open  
Every spirit be opened up  
To you God. To You  
And a love encounter  
A love encounter from you tonight  
A love encounter from you tonight God Yeah He loves us  
Oh how He loves us  
Oh how He loves  
Let it go deep go deep go deep He loves us  
Oh how he loves us  
oh how he loves us  
oh how he loves  
His love is going deep  
His love is going deep tonight  
His love is going deep tonight  
See the Father  
Behold the Father

Behold the Father (ha)
