Stone Temple Pilots

My friend Blue he runs the show
With hot pink purple china glow
His family trees are molded
No longer grows in summerHe holds it closer lets it go
Picks a fruit but keeps it whole
Can't keep the submarine in
Can't keep the light from fadingGrab the hate and drown it out
Grab the beat and drum it out
It's all so confusingAin't the same for you and me
Cartoons like reality
Dogs and cats and children
The deepest wound is hiddenAin't the same for you and me
Comatose commodity
The superheroes dyin'
All the children cryin'Sell more records if I'm dead
Purple flowers once again
Hope it's sooner, hope it's near
Corporate records' fiscal year
Down the river, down the riverHave a listen lend an ear
Here's a song now if you care
We can all just hum along
Words don't matter anymoreGrab the hate and drown it out
Grab the beat and drum it out
It's all so confusingAdhesive love, adhesive
Adhesive love
Adhesive love, adhesive
Adhesive loveFlyin' high across the plain
Purple flowers ease the pain
Here, now have a listen
Ain't the songs you're missin'
Down the river, down the riverStitch the womb and wet the bed
With a whisper I'll be dead
Don't let the living die yetGrab the hate and drown it out
Grab the beat and drum it out
It's all so confusingAdhesive love, adhesive
Adhesive love
Adhesive love, adhesive
Adhesive love
