

# Black Tangled Heart

## Silverchair

Maybe your luck has changed

Settle down

Maybe I'm just deranged

And on the rebound

Maybe love was the thing

Holding me back from all

Maybe I'm just the thing

To break my own fall

Take the rope to my heart and fall

You may just be the last before you

See the black tangled heart fall

Maybe departure's good

Makes room for more

Start to mass produce

For a chance to ignore

Maybe you'll kill yourself

Before I get a turn

Maybe I'll fall in love

And never learn

Take the rope to my heart and fall

You may just be the last before you

See the black tangled heart fall

Take the rope to my heart and fall you

You may just be the last before you

See the black tangled heart fall
