Material Girl

Hilary Duff & Haylie Duff

La, la, la, la, la, la, la, laSome boys kiss me, some boys hug me
I think they're o.k.
If they don't give me proper credit
I just walk awayThey can beg and they can plead
But they can't see the light
'Cause the boy with the cold hard cash
Is always mister right,'Cause we are
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
Some boys romance, some boys slow dance
That's all right with me (That's all right with me)
If they can't raise my interest then i
Have to let them beSome boys try and some boys lie but
I don't let them play
Only boys who save their pennies
Make my rainy day'Cause they are
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girlLiving in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material worldBoys may come and boys may go
And that's all right you seeExperience has made me rich
And now they're after me,'Cause everybody's
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girlLa, la, la, la, la, la, la, laA material, a material, a material, a material worldLa, la, la, la, la, la, la, la
