

# Material Girl

Hilary Duff & Haylie Duff

La, la, la, la, la, la, la, laSome boys kiss me, some boys hug me

I think they're o.k.

If they don't give me proper credit

I just walk awayThey can beg and they can plead

But they can't see the light

'Cause the boy with the cold hard cash

Is always mister right,'Cause we are

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl

Some boys romance, some boys slow dance

That's all right with me (That's all right with me)

If they can't raise my interest then i

Have to let them beSome boys try and some boys lie but

I don't let them play

Only boys who save their pennies

Make my rainy day'Cause they are

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girlLiving in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girl

Living in a material world (material)

Living in a material world

Living in a material world (material)

Living in a material worldBoys may come and boys may go

And that's all right you seeExperience has made me rich

And now they're after me,'Cause everybody's

Living in a material world

And I am a material girl

You know that we are living in a material world

And I am a material girlLa, la, la, la, la, la, la, laA material, a material, a material, a material worldLa, la, la, la,

la, la, la, la
