Hello Joe

Beatsteaks

hello hello joe it all went wrong
but i know i'm not alone
play this tune all over the town
hello hello joe i keep on strumming
and i know i'll get it done
cause i'm not the only onei got it playing on my stereo
i'm never ever gonna let it go
and i try to sing along
and i know i can't go wronghello hello joe i'd like to have advice
but you won't tell
i strain my ears to STRAIGHT TO HELL
down in london town
in these times of war
you won't raise your voice no moreit's still playing on my stereo
i'm never ever gonna let it go
and i try to sing along
and i know i can't go wrong
hello hello joei am not the only one
i am not the only one
it's not over it's just begun
try to sing along
i got it playing on my stereo
i'm never ever gonna let it go
hello hello joe,hello hello joe
