

# Hey Boy

## The Blow

Hey Boy  
Why you didn't call me?  
I waited for days  
I can't believe you didn't callHey Boy  
Why you didn't call me?  
I waited for days  
I can't believe you didn't callA. You're gay  
B. You've got a girlfriend  
C. You kinda thought I came on too strong or  
D. I just wasn't your thing  
No ring  
Hey Boy  
Why you didn't call me?  
I waited for days  
I can't believe you didn't callWhen we sat outside for an hour at the party and talked  
I thought something good could be starting  
It's not a lot that I want  
Just some talking  
And really, you just injured my prideHey Boy  
Why you didn't call me?  
I waited for days  
I can't believe you didn't call  
Susan said that maybe you're scared  
Shelly says there always is a reason  
And Chris said you're probably surrounded by girls  
And I'm just not one of them you're needing
