

# The Finer Things

Steve Winwood

While there is time let's go out and feel everything  
If you hold me I will let you into my dreams  
For time is a river rolling into nowhere  
We must live while we can and we'll drink our cup of laughter  
The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be I've been sad and have walked bitter streets alone  
Come morning, there's a good wind to blow me home  
So time is a river rolling into nowhere  
I will live while I can, I will have my ever after  
The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be Oh, keep shining  
Life could be better, life could be We go so fast, why don't we make it last  
Life is glowing inside you and me  
Please take my hand, right here where I stand  
Won't you come out and dance with me  
Come see with me, oh, come see And the lovers try 'til they get the best of the night  
And come morning, they are tangled up in the light  
So time be a river rolling into nowhere  
And they love while they can  
And they think about the night so sweet  
The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be Keep shining, keep shining  
The finer things keep shining through  
The way my soul gets lost in you  
The finer things I feel in me  
The golden dance life could be Dancing, dancing, dancing, oh  
Dancing, dancing, dancing
