

Energy of Light

Magic Affair

That's the power of lightLight [light] energy of light [light, light]
Shining through the night [night, night]
Full of energy [light]
The light that shines on meLight [light] precious gift for all [light, light]
It will keep me warm [light, light]
Conquer all my fears [light, light]
Color of my tearsEnergy of light
All I want from you is energy,
Energy of light
A creation of the light in me
Tell me won't you tell me
Can you see what I can see
Tell me won't you tell me
Is the power of the light in meEnergy of, energy of, energy of light
Energy of, energy of, energy of lightLight [light] energy of light [light, light]
Illuminates my mind [light, light]
So my heart will glow [light]
I'll never let it goLight [light] guide me through the night [light, light]
Make me feel so right [light, light]
You light up my love [light, light]
I just can't get enough
