## **Energy of Light**

## **Magic Affair**

That's the power of lightLight [light] energy of light [light, light]

Shining through the night [night, night]

Full of energy [light]

The light that shines on meLight [light] precious gift for all [light, light]

It will keep me warm [light, light]

Conquer all my fears [light, light]

Color of my tearsEnergy of light

All I want from you is energy,

Energy of light

A creation of the light in me

Tell me won't you tell me

Can you see what I can see

Tell me won't you tell me

Is the power of the light in meEnergy of, energy of, energy of light Energy of, energy of, energy of lightLight [light] energy of light [light, light]

Illuminates my mind [light, light]

So my heart will glow [light]

I'll never let it goLight [light] guide me through the night [light, light]

Make me feel so right [light, light]

You light up my love [light, light]

I just can't get enough
