# We Still Have Time

## Linda Eder and Colm Wilkinson

(from the Motion Picture "Tribute")Before the laughter ended
You were a part of me
Why did I ever let the distance grow
When there is still so much of you
I need to knowBut we still have time
Time to try
Yes we still have time
Before the chance
Passes byWe've got to take it
And maybe stumble and fall
But we still have time
To have it allI don't have all the answers
I don't know where we'd start
I don't know how
We'd try to find a way
I only know
That now I need to hear you saythat we still have time
Time to try
Yes we still have time
Before the chance
Passes byWe've got to take it
And maybe stumble and fall
But we still have time
To have it allWe've got to take it
And maybe stumble and fall
But we still have time
we still have time
yes we still have time
to have it all
