

# Perfect Love

Jeremy Camp

If perfect love casts out fear  
Then here I am Lord drawing near

Days have come, days have gone  
I know one thingâ€™s sure  
Hanging on by the words of Your promise, Lord  
You are good, you are true  
Even in my pain

And Iâ€™m thankful for this suffering  
â€™Cause itâ€™s brought me right here on my knees

If perfect love casts out fear  
Then here I am Lord drawing near  
Iâ€™m crying out and You hear my prayer  
I feel the depth of how much You care  
In Your perfect love  
You are perfect love

Iâ€™m wide awake, wide awake  
Now my eyes can see  
All the hope, all the plans that you have for me  
I count in joy ever time I am in this place

And Iâ€™m thankful for this suffering  
Itâ€™s deepened every part of me

I cast my cares, cast my cares  
On Your altar Lord (always, always)  
â€™Cause You are good, You are good  
And Your love endures (always, always)  
I will rest, I will rest  
In Your perfect love (always, always)  
Thereâ€™s no more fear, no more fear  
In Your presence Lord
