

# Ito Eats

## Elvis Presley

Ito eat like teeth are out of style  
Ito eat like teeth are out of style  
Ito eating all the while  
Eat Ito eat all the night and the day  
Eat Ito eat all the night and the day Ito is an eating boy  
He never get enough from fish and poi  
He eat everything he don't care what  
He even eat the shell from the coconut  
Eat Ito eat all the night and the day  
Eat Ito eat all the night and the day Hey, Ito little faster  
Ito little slower Ito eat like teeth are out of style  
Ito eat like teeth are out of style  
When you say that stranger smile  
Oh, oh, oh, oh, oh
