

Real Love

Cher

Do you understand just how much I feel for you, do you?
Do you comprehend when I say, "My love is true", do you?
Always with me forever, ho baby
I know we'll be together
I tell you time after time, you bringin' me up when I'm down
I'm tellin' you time after time, I don't wanna lose what I've found
Real love, I still believe in love
Real love, I still believe in love
Do you realize just how much you mean to me?
If I close my eyes you're the only one I see
Always with me forever, ho baby
I know we'll be together
I tell you time after time, you bringin' me up when I'm down
I'm tellin' you time after time, I don't wanna lose what I've found
Real love, I still believe in love
Real love, I still believe in love
Time after time, time after time
Real love, I still believe in love
And time after time, time after time
Real love, I still believe in real love
I tell you time after time, you bringin' me up when I'm down
I'm tellin' you time after time, I don't wanna lose what I've found
Real love, I still believe in love
Real love, I still believe in love
