

Melody Ann

The Marshall Tucker Band

Many a time, I feel so lonesome
Many a day, I've been so doggone tired
When I get lonesome, yes I do, I think about true love
And when I want true love, I think about you
So I'm singing, this here song, for Melody Ann
And I'm so doggone proud
That I'm her man and she's all mine
My Melody Ann
Been many a morning, since I've seen you
Seen many a sunrise, yes
Lord knows I drove many miles
But you know the best thing about going home
Is to see you, standing there, with a smile
So I'm singing, this here song, for Melody Ann
And I'm so doggone proud
That I'm her man and she's all mine
My Melody Ann
But you know the best thing about coming home
Is to see you, standing with a smile
So I'm singing, this here song, for Melody Ann
And I'm so doggone proud
That I'm her man and she's all mine
My Melody Ann
I'm her man and she's all mine
My Melody Ann
I'm her man and she's all mine
My Melody Ann
I love ya darlin?
