

# Hong Kong Book of Kung Fu

## Cornershop

Sometimes you lose,  
Sometimes you lose  
On impact points, always the follow through  
Sometimes Friday, and it's sometimes good  
Better get back home open up the book  
Sometimes you-lose, sometimes you-lose  
On impact points, there is always that follow through  
Sometimes Friday, and its sometimes good  
Well a Hong Kong book of kung fu and a Hong Kong book of kung fu  
Get winter wear in the summer  
Your summer in the winter.  
Alright!A reputation city wide  
Defensive lobe  
Never loose that final ping-pong  
Sometimes it comes to you, sometimes good  
Well a Hong Kong book of kung fu and a Hong Kong book of kung fu  
Get winter wear in the summer  
Your summer in the winter.  
Alright!Embarrassment keeps people  
In-their place  
Most of the time  
But not always  
So sometimes Friday, sometimes it's good  
Hong Kong book of kung fu and a Hong Kong book of kung fu  
Get winter wear in the summer  
Your summer in the winter.  
Alright!  
Sometimes you-loose,  
Sometimes you-loose  
On impact points, always follow through  
Sometimes Friday, and it's sometimes good (hot dog)  
Well a Hong Kong book of kung fu and a Hong Kong book of kung fu  
Get winter wear in the summer  
Your summer in the winter.  
Alright!
