

Oh My Heart

Jenn Grant

You look like a movie star from this angle

Oh tell me I've got my bangles on

I can dance and dance while the band plays on

Oh you took me by surprise

White coat in arms and sweet lullabies[Chorus:]

Oh my heart

Oh my heart

Oh my heart

Oh my heart (2x)Well I've got something that can be wasted

So tell me all your dreams and lets get wasted

Oh you took me by the nile

We made a bed of grass and layed there for a while[Repeat Chorus:]You look like a movie star from this angle

Oh tell me I've got my bangles on

I can dance and dance while the band plays on

Oh you took me by surprise

White coat in arms and sweet lullabiesChorusYou buy me

You buy me your love

You buy me

You buy me your love x2c'mon everybody!
