

# Furniture Fire

## Girlschool

Glittering celebrities on my screen  
You're the prettiest people I've ever seen  
Tell me your life story 'cause I collect lies  
And I've collected new ways to fantasize

Entertain me although I know you don't care  
Involve me, enchant me while I'm on my chair  
Ignorant celebrities can't see your hair  
All the pretty people don't know I'm here

Furniture fire (fire, fire)  
Furniture fire (fire, fire)

Careful where you step in these dangerous days  
Try to find a way out, a dangerous maze  
When you break the silence I'll make it all clear  
Give me one good reason why I should stay here

Furniture fire (fire, fire)

Furniture fire (fire, fire)  
Furniture fire (fire)
