

# Little Soldier

Lily Allen

[Intro]

O-o-o-o-h

Oh, oh, oh, oh, oh

O-o-o-o-h

Oh, oh, oh, oh, oh

O-o-o-o-h

Oh, oh, oh, oh, oh[Chorus]

So come on over

What you waiting for?

No strings attached

No, you won't be ignored

We could be family

You'll be comfortable

Ever expanding

Fully functional[Verse 1]

Why, have to, I, to tell you why

You, you always have the room to breathe

We should better have some fun

We [?] redemption

We only [?][Chorus]

So come on over

What you waiting for?

No strings attached

No, you won't be ignored

We could be family

You'll be comfortable

Ever expanding

Fully functional[Verse 2]

Don't worry, it's safe at last

There's nothing to over think

Forget tomorrow, forget the past

Waiting we'll all get to bed

I am only, the only who get to sleep[Chorus]

So come on over

What you waiting for?

No strings attached

No, you won't be ignored

We could be family

You'll be comfortable

Ever expanding  
Fully functional[Outro]  
No strings attached  
No, you won't be ignored  
Boom-da-bunna
