All That Matters Now

Ben Harper

ItÂ’s been a long hard day
And a long hard night
Been a hard year
ItÂ’s been a hard life
But weÂ’re together
And thatÂ’s all that matters now

Well, the time has come
And the time has gone
Maybe I was born to be alone
But weÂ’re together
And thatÂ’s all that matters now

Been thrown by the wind
Drowned in the rain
I walked through some things
You donÂ’t want me to explain
But weÂ’re together
And thatÂ’s all that matters now

I canÂ’t get well
ThereÂ’s no cure for life
Let me down easy
At least tonight
Now weÂ’re together
And thatÂ’s all that matters now
