Together

Lega-C

Imagine me and u I do i think bout u day n night I do its only right to think bout the guy u love n hold them tonight so happy together if I should call u up just to dine and u say u belong to me and ease mybmind so happy to gather imagine how the world could be so very fine so happy together in a ill aggitatef wit u right at the time fighting bout whosefault it was was it ours or mine so I gotta get away your driving me outta my mind
