# If You Could Only See (Acoustic Version)

## Tonic

If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do
If you could only see how blue her eyes can be when she saysWhen she says she loves me
Well you got your reasons
And you got your lies
And you got your manipulations
They cut me down to size
Sayin' you love but you don't
You give your love but you won't
If you could only see the way she loves meThen maybe you would understand
Why I feel this way about our love
And what I must do
If you could only see how blue her eyes can be when she saysWhen she says she loves me
Seems the road less traveled
Show's happiness unraveled
And you got to take a little dirtTo keep what you love
That's what you gotta do
Sayin' you love but you don't
You give your love but you won't
You're stretching out your arms to something that's just not thereSayin' you love where you stand
Give your heart when you can
If you could only see the way she loves me
Then maybe you would understand
Why I feel this way about our love
And what I must do
If you could only see how blue her eyes can be when she says
When she says she loves meSayin' you love but you don't
You give your love but you won't
Sayin' you love where you stand
Give your heart when you canIf you could only see the way she loves me
Then maybe you would understand
Why I feel this way about or love
And what I must do
If you could only see how blue her eyes can be when she says
When she says she loves me
