Crazy On You

Kiley Dean

If we still have time, we might still get by
Every time I think about it I want to cry
With bombs and the devil, little kids keep coming
No way to breathe easy, no time to be youngBut I tell myself that I was doing alright
There's nothing left to do tonightBut go crazy on you, crazy on you
Let me go crazy, crazy on youMy love is the evening breeze touching your skin
The gentle sweet singing of leaves in the wind
The whisper that calls after you in the night
And kisses your ear in the early lightAnd you don't need to wonder, you're doing fine
My love, the pleasure's mineLet me go crazy on you, crazy on you
Let me go crazy, crazy on youWild man's world is crying in pain
What you gonna do when everybody's insane?
So afraid of one who's so afraid of you
What you gonna do oh?Crazy on you, crazy on you
Let me go crazy, crazy on youI was a willow last night in my dream
I bent down over a clear running stream
I sang you the song that I heard up above
And you kept me alive with your sweet flowing loveCrazy, yeah, crazy on you
Let me go crazy, crazy on youCrazy on you, crazy on you
Let me go crazy, crazy on you, yeahCrazy on you, crazy on you
Let me go crazy, crazy on you, oh
