

# Crazy On You

[Kiley Dean](#)

If we still have time, we might still get by  
Every time I think about it I want to cry  
With bombs and the devil, little kids keep coming  
No way to breathe easy, no time to be young But I tell myself that I was doing alright  
There's nothing left to do tonight But go crazy on you, crazy on you  
Let me go crazy, crazy on you My love is the evening breeze touching your skin  
The gentle sweet singing of leaves in the wind  
The whisper that calls after you in the night  
And kisses your ear in the early light And you don't need to wonder, you're doing fine  
My love, the pleasure's mine Let me go crazy on you, crazy on you  
Let me go crazy, crazy on you Wild man's world is crying in pain  
What you gonna do when everybody's insane?  
So afraid of one who's so afraid of you  
What you gonna do oh? Crazy on you, crazy on you  
Let me go crazy, crazy on you I was a willow last night in my dream  
I bent down over a clear running stream  
I sang you the song that I heard up above  
And you kept me alive with your sweet flowing love Crazy, yeah, crazy on you  
Let me go crazy, crazy on you Crazy on you, crazy on you  
Let me go crazy, crazy on you, yeah Crazy on you, crazy on you  
Let me go crazy, crazy on you, oh
