Old Town

Evilsons

The girl's a fool, she broke the rule, she hurt him hard
This time he will break down
She's lost his trust and so she must know all is lost
The system has broke down, romance has broke down
This boy is crackin' up
This boy has broken down
This boy is crackin' up
This boy has broke down
She plays it hard, she plays it tough
But that'’s enough, the love is over
She's broke his heart and that is rough
But in the end he'll soon recover, the romance is over
This boy is crackin' up
This boy has broken down, yeah yeah
This boy is crackin' up
This boy has broke down
Ola
This boy is crackin' up
This boy has broken down

This boy is crackin' up
This boy has broke down
I've been spending my money in the old town
It's not the same, honey, with you not around
I've been spending my time in the old town
I sure miss you, honey, now you're not around
You're not around this old town
Ola
This boy is crackin' up
And this boy has broken down, yeah yeah
This boy is crackin' up
This boy has broke down
This boy is crackin' up, crackin' up
This boy has broken down, yeah yeah
This boy is crackin' up
This boy has broke down
This boy has broken down
This boy has broke down
