

# Want Ads

## The Honey Cone

Wanted, young man single and free  
Experience in love preferred,  
But will accept a young trainee  
Oh I'm gonna put it in the want ads,  
I need a love that's true  
Gonna put it in the want ads, my man and I are through  
At home I find myself, lost and all alone  
My man is playing the field, the thrill is gone  
He stays out all night, says he's with the boys  
But lipstick on his collar, perfume on it too  
Tells me he's been lying, tell ya what I'm gonna do  
I'm gonna put it in the want ads, this girl's in misery  
Gonna put it in the want ads, somebody rescue me  
I spend my nights alone, cryin' bitter tears  
Although I cry aloud, nobody really hears  
And when I need him most, he's never by my side  
He's either playing cards, or drinking at the bar  
He thinks that I'm a fool, I'm going to the evening news  
Gonna put it in the want ads, I need somebody new  
Gonna put it in the want ads, my man and I are through  
Extra extra, read all about it,  
Wanted, young man single and free  
Experience in love preferred,  
But will accept a young trainee  
Extra extra, read all about it,  
Wanted, young man single and free  
Experience in love preferred,  
But will accept a young trainee  
Oh I'm gonna put it in the want ads, I need somebody new  
Gonna put it in the want ads, my man and I are through  
Gonna put it in the want ads, this girl's in misery  
Gonna put it in the want ads, please somebody rescue me  
Lipstick on his collar, perfume on it too  
Tells me he's been lying, I'm going to the evening new  
Gonna put it in the want ads, I need somebody new  
Gonna put it in the want ads, my man and I are through  
Gonna put it in the want ads, this girl's in misery
