Carry On

Uriah Heep

Carry on, carry onSo what can I do, what can I say?
Do I have to stand and watch you walk away?
I know there's got to be a better way
I just can't go on living for todayI thought, I heard a voice out on the wind
And I'm sure I heard it say, I'd find a friend
And it said, I'd find the answers in the end
All I gotta do is carry on, carry onCarry on, carry on, the time is flyin'
You need another love, maybe another town
Carry on, carry on, don't wait until your hope is gone
When your last chance comes aroundI'm gonna keep on looking, I won't quit
Aggravation, it ain't gonna hurt a bit
And I believe that I have seen the last of it
There's nothing left to do but carry onCarry on, carry on, carry on
