Sum 41

How can we fake this and take anymore
Looking up blindly and try to ignore?
It's better to miss it, there's no point of view
It's only a problem when it happens to you
Well, thanks for making this so easy
What's the point if it's so easy?
Why the fuck is it so easy?
Why's it don't you say?
'Coz we're doing fine
And we don't need to be told
And we're doing fine
'Coz we won't give you control
And we don't need anything from you
And we'll be just fine
'Coz we won't be bought and sold
Just like you
Lies in the sender when nothing is true ?
Don't be surprised when it comes back to you
Are you on a mission to lose our control
Or waiting for tragedy to unfold
What makes you think that it's so easy
Don't believe it will be so easy
Why the fuck would it be so easy
Why's it don't you say
'Coz we're doing fine
And we don't need to be told
And we're doing fine
'Coz we won't give you control
And we don't need anything from you
And we'll be just fine
'Coz we won't be bought and sold just like you
So how long has this gone?
I don't see this ending
It's too late, we can't change
What has now begun
We act like it's not right
Why are we pretending
We've been wrong for so long?
We've known this all along

You created these problems
And you don't know what to do
You know you can solve them
But you can't be bothered to
You created these problems
And you don't know what to do
You know you can solve them
But you can't be bothered to
'Coz we're doing fine
And we don't need to be told
And we're doing fine
'Coz we won't give you control
And we don't need anything from you
And we'll be just fine
'Coz we won't be bought and sold just like you
