Ghost Of You And Me

BBMak

What am I supposed to do with all these blues
Haunting me
Everywhere no matter what I do
Watching the candle flicker out in the evening glow
I can't let go
When will the night be over[Chorus]
I didn't mean to fall
In love with you
And baby there's a name
For what you put me through
It isn't love
It's robbery
I'm sleeping with the ghost of you and meSeen a lot of broken hearts go sailing by phantom ships
Lost as sea and one of them is mine
Raising my glass I sing a toast to the midnight sky
I wonder why the stars don't seem to guide me[Chorus]The ghost of you and me when will it set me free
I hear voices call following footsteps down the hall
Trying to save what's left of my heart and soul
Watching the candle flicker out in the evening glow
I can't let go when will the night be over[Chorus: x2]
