[Karliene](#)

War is not the answer  
The answer is within you  
War is not the answer  
The answer is within you  
Love, love  
Love, love  
War is not the answer  
The answer is within you  
Love, love  
Love, love  
Love, love  
Love, love  
Love, love  
Love, love  
Love, love  
Love, love  
Love, love  
Love
