You've got me so sick, spinning, dizzy, you've
got me got me so sick, spinning, dizzy, you
(spinning, dizzy...)Give me more, give me more,
Give me more, I haven't had this beforeI've been holding out for this one
Holding out for love
Not changing my mind so much
And still, and stillYou've got me so sick, spinning, dizzy, you've
got me got me so sick, spinning, dizzy, you
(spinning, dizzy you...)Give me more, give me more,
Give me more, I haven't had enough
Give me more, give me more,
Give me more, I haven't had this beforeI've been holding out for this one
Holding out for love
Not changing my mind so muchGive me more...
