Gimme Your Love

Silversix

Got to gimme your love
Got to give it up
Got to gimme your love
Just cant get enoughI said gimme the love that I need so bad
Cause girl, without you, Im, oh, so sad
I never want to be without you
Without you, girl, I dont know what Id doGot to gimme your love
Got to give it up
Got to gimme your love
Just cant get enoughGimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your loveYou are the one for me now, baby
And Im the one for you
Whenever Im without you, darling
I dont know what to doYou got me, girl and you know it
You got me, girl, dont blow it
I got to tell you just how I feel
Cause all these feelings are all for realGimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love
[Incomprehensible]Every night and every day, baby
Im thinking of you
I would die if you left me, darling
Tell me, oh, what should I doYou got me, girl and you know it
You got me, girl, dont blow it
I just got to let you know
I could never let you goGimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your loveI said gimme the love that I need so bad
Cause, girl, without you, Im, oh, so sad
I never want to be without you
Without you, girl, I dont know what Id doIf I had the world, girl, Id give it to you
I promise that I will always be true
Now let me get right down to the point
What Im trying to say is Im simply the jointGive me your love, girl, uh, give me a kiss
This is something you should not miss

And girl, dont make a big mistake
Cause this is something my heart just cannot takeWhat Im trying to say
Is Im the one for you
Just cant get enoughGimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your loveGimme your love, I want it
Gimme your love, I need it
Gimme your love, I want it
Gimme your love
