Save Me

Tad Morose

I see a light shining through a window I wonder who has passed away I see
myself on top of a mountain And someone is calling my namePlease God don't take me I've got so much more to live for Can someone save
me I cannot believe I'm dyingHear my prayers is it words without meaning Don't turn away don't leave me alone Will I be here when tomorrow comes or is it to late to say goodbyeLights fading out and my life is passing by and someone whispers the words,
come closer I'm leaving time there's no turning back I'm stuck between life
and death
