

Save Me

[Tad Morose](#)

I see a light shining through a window I wonder who has passed away I see
myself on top of a mountain And someone is calling my name Please God don't take me I've got so much more
to live for Can someone save
me I cannot believe I'm dying Hear my prayers is it words without meaning Don't turn away don't leave me
alone Will I be here when tomorrow comes or is it too late to say goodbye Lights fading out and my life is passing
by and someone whispers the words,
come closer I'm leaving time there's no turning back I'm stuck between life
and death
