

Don't Call Me Nigger, Whitey

Sly & The Family Stone

Chorus:

Don't call me nigger, whitey!
Don't call me whitey, nigger!
Don't call me nigger, whitey!
Don't call me whitey, nigger!

Well I went down across the country,
and I heard some voices rang.
They was talkin' softly to each other
and not a word could change a thing.

Chorus (3 separate times)
