True Colors

Cyndi Lauper

You with the sad eyes Don't be discouraged

Oh, I realize

It's hard to take courageIn a world full of people

You can lose sight of it all

And the darkness there inside you

Makes you feel so smallBut I see your true colors

Shining through

I see your true colors

And that's why I love youSo don't be afraid to let them show

Your true colors

True colors

Are beautiful like a rainbowShow me a smile then

Don't be unhappy

Can't remember when

I last saw you laughingIf this world makes you crazy

And you've taken all you can bear

Just call me up

Because you know I'll be thereAnd I'll see your true colors

Shining through

I see your true colors

And that's why I love youSo don't be afraid to let them show

Your true colors

Your true colors

Are beautiful like a rainbow(Whisper)

Can't remember when I last saw you laughingIf this world makes you crazy

You've taken all you can bear

Just call me up

Because you know I'll be thereAnd I'll see your true colors

Shining through

I see your true colors

And that's why I love youSo don't be afraid to let them show

Your true colors

True colors

True colors are shining throughI see your true colors

And that's why I love youSo don't be afraid to let them show

Your true colors

True colors

Are beautiful like a rainbow
