

# Girl Like You

## Toro y Moi

What's it gonna take for a guy like me to find a girl like you?  
What I gotta do to find a girl who's loving is more than true?  
No one can play the game alone even if you try to  
    Baby, I'm yours now  
    Dreaming a connection  
    I can meet you downtown  
I'll take you where you wanna be tonight Too much talking around  
    I can see how this happened  
    Using up all the lifelines  
    Tryna turn up decent  
    You've got plenty of time  
    I can see you walked over  
    What you see isn't in my mind  
    Don't believe we've met before  
I'm out to playing quiet, smiling, without thought  
    'Cause my wind's been turned inside out  
    Been gone quite a while  
What's it gonna take for a guy like me to find a girl like you?  
What I gotta do to find a girl who's loving is more than true?  
No one can play the game alone, even if you try to  
    Baby, I'm yours now  
    Dreaming a connection  
    I can meet you downtown  
I'll take you where you wanna be tonight Aren't you gonna stay?  
    Keep me 'til the Sun comes up  
    Crack a Pellegrino  
    From the bottle no cup  
That was summer love, that was summer love  
    Late night, cemetery  
    Think there's still a light out  
    Temporary love in sight now  
    Love is scary baby look out  
What's it gonna take for a guy like me to find a girl like you?  
What I gotta do to find a girl who's loving is more than true?  
No one can play the game alone, even if you try to  
    Baby, I'm yours now  
    Dreaming a connection  
    I can meet you downtown  
I'll take you where you wanna be tonight
