Dissident Aggressor

Judas Priest

Grand canyons of space and time universal
My mind is subjected, subjected to allStab, bawl, punch, crawl
Hooks to my brain are well in
Stab, bawl, punch, crawl
I know what I am, I'm BerlinThrough cracked, blackened memories of unit dispersal
I face the impregnable wallStab, bawl, punch, crawl
Hooks to my brain are well in
Stab, bawl, punch, crawl
I know what I am, I'm BerlinExploding, reloading, this quest never ending
Until I give out my last breathI'm stabbing and bawling, I'm punching and crawling
Hooks to my brain are well in
I'm stabbing and bawling, I'm punching and crawling
I know what I am, I'm Berlin
