

# Dissident Aggressor

## Judas Priest

Grand canyons of space and time universal  
My mind is subjected, subjected to all  
Stab, bawl, punch, crawl  
Hooks to my brain are well in  
Stab, bawl, punch, crawl  
I know what I am, I'm Berlin  
Through cracked, blackened memories of unit dispersal  
I face the impregnable wall  
Stab, bawl, punch, crawl  
Hooks to my brain are well in  
Stab, bawl, punch, crawl  
I know what I am, I'm Berlin  
Exploding, reloading, this quest never ending  
Until I give out my last breath  
I'm stabbing and bawling, I'm punching and crawling  
Hooks to my brain are well in  
I'm stabbing and bawling, I'm punching and crawling  
I know what I am, I'm Berlin
