Great and Mighty One

Corby LaCroix

Great Redeemer, God of grace
Come receive our songs of praise
You have shown Your love for us
In the wonder of the crossYou reign, all the glory is Yours
And we come and adore You, Great and Mighty One
You gave, everything at the cross
For the weak and the lost, oh, Great and Mighty OneFor Your glory, Your renown
Love and wrath came crashing down
On the Lamb who died for us
Jesus, bright and gloriousFor You Lord, our God, we will sing
In You Lord, our God, we are redeemed
With You Lord, our God, we will live forevermore
Let Your kingdom come, let Your kingdom come
