

One Of The Boys

Gretchen Wilson

I can do most anything a man can do
I can hold my liquor with the best of you
Even take your money in a game of pool

Yeah, I'd kick your butt, if I wanted toAnd I don't mind when people cuss in front of me

The truth is I dont blush that much at anything

But I've still got this little girl inside of me

That likes to be treated like a queenAnd I know I don't act much like a lady

But I still need to be somebody's baby

Yeah, you might find me makin' too much noise

But I'm more than just one of the boys

Yeah, I'm more than just one of the boysGod knows I ain't never been the clingy type

Lookin' for a man to make it all alright

But I don't mind admitting sometimes late at night

Well, I need someone to hold me tightAnd I know I don't act much like a lady

But I still need to be somebody's baby

Yeah, you might find me makin' too much noise

But I'm more than just one of the boys

Yeah, I'm more than just one of the boys
