

In Love

Marine Girls

Glad to hear you're feeling happy
Hear you're getting along without me I hear you're in love
I hear you're in love Glad to hear you've found somebody
Hear you're getting over me already I hear you're in love
I hear you're in love Glad to hear she liked your letter
Found someone who treats you better And now you're in love
You're in love
I hear you're in love
You're In love
I hear you're in love
I hear you're in love
You're in love
You're in love
