

Arms of a Woman (The Voice Performance)

[Joshua Davis](#)

I am at ease in the arms of a woman
Although now
most of my days i spend alone
A thousand miles
from the place i was born
But when she wakes me
She takes me back homeNow, most days
i spend like a child
Who's afraid of ghosts in my mind.
I know, there ain't nothing out there
I'm still afraid to turn on the lightsA thousand miles
the place i was born
When she wakes me
she takes me back homeI am at ease in the arms of a woman
Although now
most of my days i spend alone
A thousand miles
from the place i was born
When she wakes me
she takes me
Ya, when she wakes me
she takes me back home
When she wakes me
she takes me back home
