The Unforgettable

Colours

you became my ghost
fading as my mind grew old
so I replace you but I find
I would learn but never know
them without you still feels like aloneyou you you are
you you you are the one I want
you you you are
you you you are the one
the one I want I wish I always had
had you known what I know
I know the unforgettablethe sun over your skin
I would breathe you in no more
now I feel you in my bones
feel you everywhere I go
having all but you is having none at allyou you you are
you you you are the one I want
you you you are
you you you are the one
the one I want I wish I always had
had you known what I know
I know the unforgettableall that I ever want
all that I ever dreamed
what I couldn't say it pushed you away
when I had you in front of me
all that I ever want
was nothing I ever showed
I traded fear for the unforgettableyou you you are
you you you are the one I want
you you you areyou you you are the one
the one I want I wish I always had
had you known what I know
I know the unforgettable
