What Time Is Love

The KLF

They're justified and they're ancient
And they like to roam the land
They're justified and they're ancient
I hope you understand
They don't want to upset the apple cart
And they don't want to cause any harm
But if you don't like what they're going to do
You better not stop them cause they're coming throughKick out the JAMS
The notes'll flow, yo, for the words I speak
Rap is weak so I teach and I reach
A positive vibe, a way of life is how I'm livin'
So get hype to the rhythm
KLF is the crew, ya hear, yeah
Design a rhyme I just won't fear
Back to react, enough is enough
Let me ask you a question, what time is love?
What time is love?
What time is love?
What time is love?I want to see you sweat
I want to see you sweat
Okay Houston, we'll give you a countdown,
Four, three, two, one, fire
I want to see you
The final chapter, prophetic, poetic
When I'm done, this calls for anesthetic
Get to, step to, let an MC
Come in effect with Kingboy D
A wannabe, gonna be, ol'time sucka
You know the time, I never stutter
A feat, a dream, a-yeah seem bright
Yeah, pass the mic, What Time Is Love?
What time is love
What time is love
What time is loveI want to see you sweat [Repeat: x6]
I want to see you
I want to see you
I want to see you sweat [Repeat: x3]
Thank you, thank you
