Naa ohhh
YeaahhShe's got green eyes and she's 5'5
Long brown hair all down her back
Cadillac truck, So the hell what
What's so special about that?She used to model, She's done some acting
So she weighs a buck 0-5
And I guess that she's alright
If perfections what you like.Ooooh
An I'm not jealous no I'm not
Ooooh
I just wan't everything she's got
Ooooh
You look at her so amazed
I remember way back when you used to look at me that way.Tell me, What makes her so much better than me?
(What makes her so much better than me?)
What makes her just everything, I can never be? (I Can Never Be)
What makes her your every dream and fantasy?
Because I can remember when it was me.And now you dont feel the same
I remember you would shiver, Everytime I said your name
You said nothing felt as good as when you gazed into my eyes
Now you don't care I'm alive
How did we let the fire die?Ooooh
An I'm not jealous no I'm not
Ooooh
I just want everything she's got
Ooooh
You look at her so amazed
I remember way back when you used to look at me that way.OhhWhat makes her so much better than me?
(What makes her so much better than me?)
What makes her just everything, I can never be? (I Can Never Be)
What makes her your every dream and fantasy?
Because I can remember when it was me.That made you smile (Me)
That made you laugh
Me that made you happier than you have ever been
Ooooh me
That was your world
(Me) Your perfect girl
Nothing about me has changed

That's why I'm here wonderingWhat makes her so much better than me? (What makes her so much better than me?)
What makes her just everything, I can never be? (I Can Never Be)
What makes her your every dream and fantasy?
Because I can remember when it was me.OooohWhat makes her so much better than me? (What makes her so much better than me?)
What makes her just everything, I can never be? (I Can Never Be)
What makes her your every dream and fantasy?
Because I can remember when it was me.[x3] When it was me
