Time Will Reveal

Shades

What can I do
To make you feel secure
Remove all your doubts
So that you know for sureThat you're the apple of my eye, boy
Fulfillment of my dreams
Time, will show the value
Just what you mean to meMore precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thingIf you didn't have
My love beside you
There to guide you through
But ain't it good to know you doI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in timeI tell you I love you
But you don't believe it's trueMore precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thingIf you didn't have
My love beside you
There to guide you through
But ain't it good to know you doI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in timeI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in timeOr anything that I could give
It wouldn't mean a thingIf you didn't have
My love beside you
There to guide you through
But ain't it good to know you doI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us

Will all reveal in timeI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in timeI know just how you feel
But this time love's for real
In time it will reveal
A special love that's deep inside of us
Will all reveal in time
